WELCOME TO ASPICON 2022

The Organising Committee feels highly privileged in extending warm welcome to the 4th Annual Conference of Society for Antimicrobial Stewardship Practices in India (SASPI), supported by National Academy of Medical Sciences, to be held on 13th & 14th November, 2022 at All India Institute of Medical Sciences, Raipur, Chhattisgarh. There will be a Pre Conference Workshop on 12th November, 2022 at college premises. The Conference is being organized by Antimicrobial Stewardship Committee, AIIMS Raipur.

This conference is intended for professionals working across the spectrum of health care. Health care providers, pharmacists, nurses, infection preventionists, dental professionals, administrators, public health professionals, and others are encouraged to attend. The specific objectives of the conference are to:

- Develop an understanding of antimicrobial stewardship (AMS) programs and their importance to public health to combat antimicrobial resistance.
- Expand participants' knowledge and skills on how to set up national and health-care facility level AMS programs in their respective Institutes.
- Prepare participants to provide technical assistance to national and local counterparts to develop/ maintain effective AMS programs.

This mega event will host renowned National Faculty and experts in various aspects of medicine & healthcare sectors. The delegates attending this conference will benefit from the scientific bonanza and excellent networking opportunities. We believe this conference will be a lifetime learning opportunity for every delegate. The delegate will also experience the world renowned hospitality and the beauty of Raipur.

Waiting to welcome you all to the city of Raipur.

With Regards
Organising Committee
