WELCOME MESSAGE

WELCOME
TO ALL

**DEAR TRADE PARTNERS,
GREETINGS FROM BATHINDA - "CITY OF LAKES"**

We are thrilled to announce the upcoming 8th National Conference and Workshop on Antimicrobial Stewardship Practices in India—ASPICON 2026. This premier event of the Society of Antimicrobial Stewardship Practices in India (SASPI) is dedicated to the latest advancements and challenges in infectious diseases with a focus on antimicrobial stewardship. With the theme "**Integrated Antimicrobial Stewardship: Protecting Care, Preserving Future**", ASPICON 2026 aims to bring together clinicians, microbiologists, pharmacologists, infection prevention teams, nurses, researchers, public health professionals and policy makers on a common platform to strengthen antimicrobial stewardship efforts and address the growing challenge of antimicrobial resistance.

- Pre-Conference Workshop: October 8, 2026
- Conference Dates: October 9–11, 2026
- Venue: All India Institute of Medical Sciences (AIIMS), Bathinda, Punjab

As an exhibitor or trade partner, you will have a unique opportunity to showcase your industry products, services, and innovations to a diverse audience, exchange knowledge, explore innovative solutions, and foster collaborations. The event is expected to attract a substantial number of delegates from all over the country as well as internationally, providing a platform to network, forge new partnerships, and enhance brand visibility.

In addition to scientific sessions, we have meticulously planned social events and networking opportunities to facilitate meaningful connections among attendees. Bathinda, one of the oldest cities in Punjab, offers a historic backdrop for both intellectual pursuits and leisurely enjoyment during the conference.

We invite you to become an integral part of the vibrant ASPICON 2026 community. We eagerly await your presence and participation at this grand event at AIIMS Bathinda.

P.S: The conference ASPICON 2026 is purely an academic, non-commercial event focused on education, research dissemination and scholarly collaboration. There is no political, advocacy, or commercial agenda.
